P2D2 Lo-Fi User Study Change Log - ComputersAreHard

Study Method

Issue 1
- **Description:**
  - description of study method: - apparatus & procedure - conditions, if any - data collection
- **Changes:**
  - N/A
- **New Grade Estimate**
  - Old: 10/10
  - New: 10/10

Issue 2
- **Description:**
  - description of who the participants are
- **Changes:**
  - N/A
- **New Grade Estimate**
  - Old: 10/10
  - New: 10/10

Issue 3
- **Description:**
  - data from an adequate number of participants (more than 1 group)
- **Changes:**
  - N/A
- **New Grade Estimate**
  - Old: 5/5
  - New: 5/5

Issue 4
- **Description:**
  - overall quality of study design
- **Changes:**
  - N/A
- **New Grade Estimate**

- ○ Old: 5/5
- ○ New: 5/5

Study Data and Findings

Issue 1
- **Description:**
  - ○ data analysis (e.g. hypothesis testing, coding; use of terminology from readings)
- **Changes:**
  - ○ Added observations made during the user study
- **New Grade Estimate**
  - ○ Old: 6/10
  - ○ New: 10/10

Issue 2
- **Description:**
  - ○ data findings / prescriptions (what is learned from study; use of terminology from readings)
- **Changes:**
  - ○ Added more in depth insight as to why certain data was left out of the analysis. Observations also help explain what we learned from users.
- **New Grade Estimate**
  - ○ Old: 10/15
  - ○ New: 15/15

Issue 3
- **Description:**
  - ○ connecting findings to data
- **Changes:**
  - ○ N/A
- **New Grade Estimate**
  - ○ Old: 10/10
  - ○ New: 10/10

Revised Designs
Issue 1
- **Description:**
  - submitted revised design (in the form of a mache or a lightweight prototype)
- **Changes:**
  - Our mache now reflects our updated designs
- **New Grade Estimate**
  - Old: 3/15
  - New: 15/15

Issue 2
- **Description:**
  - incorporating findings from study into new design
- **Changes:**
  - Our design documents now reflect our new designs.
- **New Grade Estimate**
  - Old: 3/15
  - New: 15/15

Overall Estimated Grade:
Old: 67/100
New: 100/100
